

In the month of December, we identified 133 projects and we s bid for 3 projects identified by our suppliers. We are looking forward to working with more suppliers to bid for and win more UK public sector IT projects.

We are here to provide you with the necessary resources and guidance to understand the project requirements and rules, and to make the best bid for the project. We also provide you with promotional opportunities to promote your services and solutions to UK clients.

At WestGate IT Hub Pvt Ltd, we are always exploring new ways to expand our offerings to provide the best services to our clients. We strive to exceed our client's expectations by delivering quality, cost-effective, and timely solutions to meet their needs.

We invite you to join us in our journey to bridge the gap between the UK and Indian IT markets, by providing Indian IT companies with access to UK public sector IT projects.

Are you ready to bid for projects and grow with us?
